Adversity to Advocacy: Cory's Cause

Cory was a varsity baseball and football athlete and a member of the National Honor Society. Cory had a love for the game of baseball. The baseball diamond was the happiest place on earth for him. His junior year of High School he suffered a shoulder injury which required surgery. After surgery Cory was prescribed opiates for pain and became addicted to his opiate pain medication and eventually became addicted to heroin. On 7/15/13 Cory suffered a heroin overdose which has left him permanently disabled.

From Adversity to Advocacy: Cory's Cause has partnered with the Bristol County DA's Office to visit schools in Bristol County. Cory and his family talk to students about the dangers of drugs and offer a message of hope for those who are faced with addiction. This presentation has been heard over 120 times and most recently at the SADD National Conference.
